

MAGNA-TILES® 2D Spring Builds

Spring is finally here, and we've got some new MAGNA-TILES® ideas to go with the season! Build essential STEAM skills and celebrate spring with a heart, duck, umbrella and flowers!

Directions: Print all the pages at once or print a specific page by selecting a page range in your printer settings. Laminate the cards for longer use!

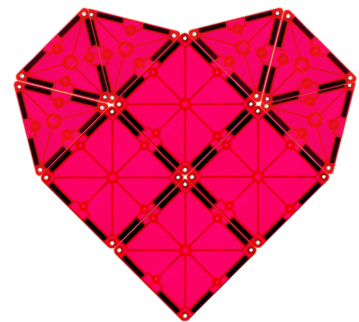

There are 3 levels included in this printable:

Beginner

Blue inspiration cards include images of MAGNA-TILES® pieces to help young builders replicate the objects.

Developmental Skills:

- Recognize geometric shapes.
- Build fine motor skills.

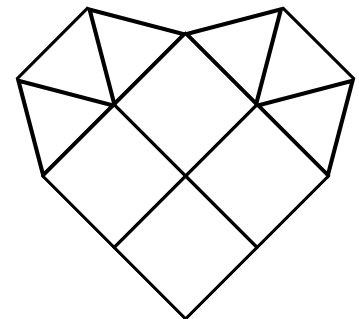

Intermediate

Purple challenge cards include outlines of the MAGNA-TILES® pieces to help young builders identify where to place the shapes.

Developmental Skills:

- Build visual memory and perception.
- Improve attention and concentration.

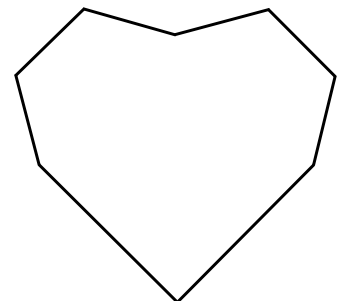

Advanced

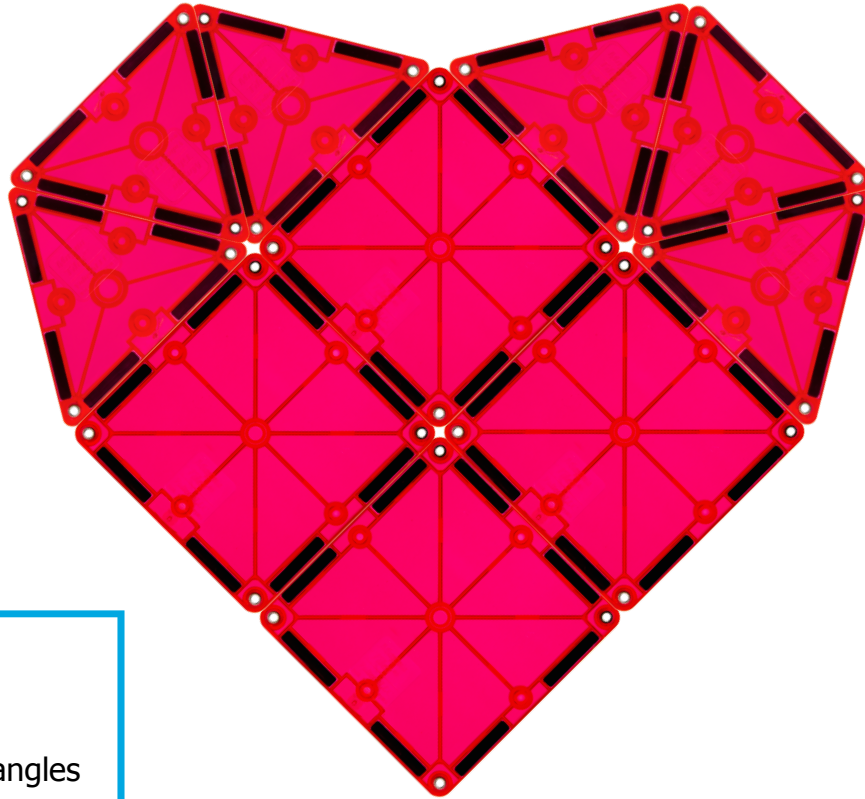

Red challenge cards include the object's silhouette challenging young builders to place the tiles correctly.

Developmental Skill:

- Develop critical thinking skills and logical reasoning as they recompose individual shapes into new shapes.
